ELECTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Restriction Requirement dated August 22, 2006, Applicants hereby elect Invention No. II, i.e., claims 5-9.

Attention is directed to the fact that claims 1-4, included in the restriction requirement were canceled in the Preliminary Amendment filed January 8, 2004 (and claim 5 was amended).

Although claims 5-9 were characterized in the Official action as directed to a method of making an adhesive composition, it seems that claims 7-9 are not so directed. In the event that the restriction requirement is revised to exclude claims 7-9 from the No. II invention, Applicants elect claims 5 and 6 for prosecution.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
